

PLUS SIGN

BLOCK SIZES: (finished sizes)

BLOCK 1

1-- 12 X 12

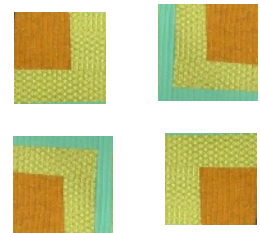

3-- 6 X 6

1-- 3 X 3

2-- 3 X 6

Think of the plus sign as a log cabin.

You can either start building out from the bottom corner, then joining 4 of these together

OR you can build them in halves- starting with the center strip and moving out on each direction from there, then connecting the two halves.
